FAMILY VACATION PLANNING

Start your family vacation planning today. Visit www.SakuraResort.com or talk to your travel agent to see how affordable and memorable a family vacation at Sakura Resort can be.

ACTIVITIES THE WHOLE FAMILY WILL ENJOY

Sakura Resort offers many different activities that will entertain and excite every member of your family. From your youngest child to grandma, there is something for everyone to enjoy at Sakura Resort. Please check www.SakuraResort.com for additional offerings and to start planning the trip your family will talk about for years to come.

LUAU DINNER PARTY:

Enjoy a traditional Hawaiian feast with entertainment to thrill the entire family. Come prepared to dance along with our hula dancers and island music. You'll feel as if you're a part of the real Hawaiian culture! Luau's take place each Wednesday and Friday at the resort from 6-9pm.

Hula and fire dancers will have your family moving in no time.

World class chefs prepare delicious Hawaiian cuisine.

LITTLE FIN DAY CARE CENTER:

Need a break from the kids to enjoy a romantic walk on the beach or dinner for two at one of our gourmet restaurants? Little Fin Day Care Center is available to care for children ages 4 to 12 while you enjoy some quiet time together. The center consists of play areas, pool time, and fun activities to keep kids entertained while their parents are away.

You can trust that your children will be safe with our certified caretakers.

Kids have a chance to meet new friends at the pool while their parents take in the sites.

WHITE SANDY BEACHES

Spend some time together building sand castles or collecting shells. Sakura Resort has plenty of room on our private beach for our guests to spread out and catch some rays. Your family can also see an aerial view of the island by making an appointment to go parasailing right off the beach. With jet ski rental, snorkeling, SCUBA diving, surfing lessons and more, your family will never get bored while playing on our beaches.

Surfing lessons are fun and exciting.

Snorkeling is a great way for even younger kids to discover a new world under the waves.
